

Extra Curricular Activities Programme (ECA Online)

Third Session Activities Feb 21st – May 6th, 2006

Parent / Student Instructions for Signing Up (Jan 30th – Feb 5th, 2006)

Dear NIST community member – the Extra Curricular Activities (ECA) selection and acceptance information for third session activities will be online via our website.

Detailed below are instructions on how to use this programme. The ECA Online program will be open for registration of students from the Jan 30th – Feb 5th, 2006. From the Feb 9th, 2006 you will be able to access the ECA page again to check your child's activity acceptance information.

Third Session Activities start on Tues Feb 21st, 2006.

For security all logins will ask for your child's library number which can be used also as the password for this session, for Years 2-7. (Years 8-13 will use their CAS Password)

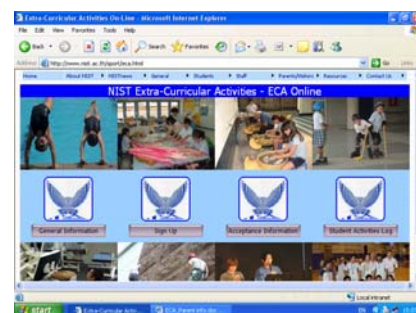

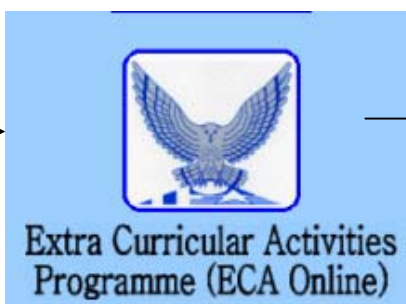

If you are unsure of your child's library number or have any questions please contact the activities office. We hope you like these continued improvements to our programme.

Thanks for your help.

1. Open NIST Website at
<http://www.nist.ac.th>

2. Click

3. You will find this page

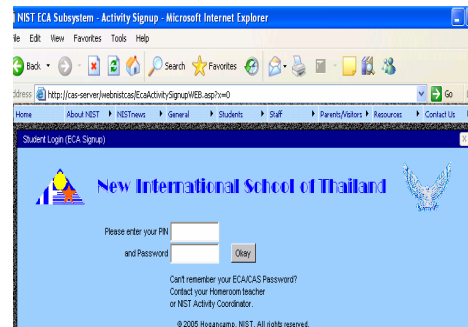

4. Click

for General Information

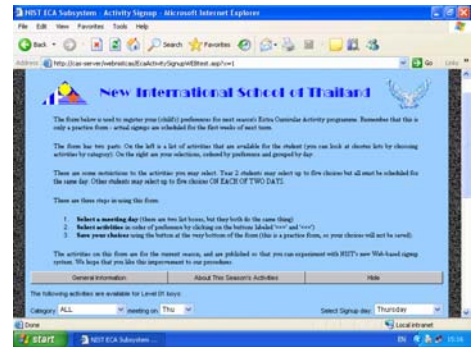

5. Click  for Sign Up

6. Enter your child Library Number (PIN) in the Pin Box & Password Box for Year 2-7. (Year 8-13 use their CAS Password info.)

- This will give you entrance into the Sign up & Acceptance domains.

7. Click  for Sign up Information

8. Click  for Acceptance Information

- This info will only be available after Feb 9th, 2006.
