

Thank you to all our donors

The Take-a-Seat chair campaign is still in full swing. On behalf of NIST, the Development Office would like to thank the following persons for their very generous donations.

If you have not done so, please take the time to fill in a donation form and be part of history. Every 12,500 baht donation to the Take-a-Seat campaign entitles the donor to an engraved plaque, which will be affixed – permanently – on the back of one of the theatre chairs.

Need convincing? Why not come see us in the Development Office and we'll take you on a tour of the theatre, where you can better visualise how a plaque in YOUR name will look!

From the Development Office team
