

2012-2013 Academic Position

Elementary Position (start date: August 2012)

English as an Additional Language (EAL) Teacher

An experienced and qualified EAL teacher is sought to work in lower elementary, supporting students in the International Baccalaureate (IB) Primary Years Programme (PYP).

A strong pedagogical background in inquiry learning is important and experience working with the PYP is preferred but not essential.

The EAL teacher works closely as part of a teaching team with the homeroom teachers and learning support teacher. Therefore, recent experience of team teaching and working collaboratively to develop learning plans is essential. Developing highly differentiated and engaging learning experiences for students from diverse language background is an essential aspect of the role.
