## Passenger Code of Conduct

Montri Transport Corporation Public Company Limited has been in the school bus service for over forty years. It has always been our goal to provide an excellent service for our customers. Safety, punctuality, honesty, and prompt service with courtesy and friendliness are our core values. In order to maintain our high standards, we need your cooperation in abiding by the rules we have established. We ask that you please read and understand the following guidelines.

1. It is the students' responsibility to be ready before the bus arrives. The student should be waiting at the designated pick-up point at least five minutes before their assigned morning pick up time and should be on the bus five minutes before the scheduled departure time in the afternoon. Please be aware that no call from Montri will be made to inform the parents of a child's absence in these particular circumstances.
  - A no-wait policy will apply in the morning and afternoon in order to ensure that no bus arrives at its destination late. Please note that parents will be responsible to arrange other transportation if their children miss the bus.
2. All bus riders are required to wear seatbelts. Please fasten your seatbelt when you get on the bus, or ask the bus monitor for assistance if needed. Do not stand or move around while the bus is moving. No one is permitted to save a seat for another person or leave belongings on the other seats. The seats must remain upright.
3. Keep hands, arms and head inside the bus. Do not stick anything out of the window. The bus monitor will keep the bus door closed at all times, especially when the bus is in motion.
4. Please talk quietly so that the bus driver can hear traffic sounds. Do not talk to the driver unless it is an emergency. The driver needs to concentrate on driving, and distractions can cause accidents to occur.
5. The use of profane language, yelling, loudness or fighting is strictly forbidden. The bus monitor will supervise the children and make a report if an incident happens.
6. Do not deface or litter in the bus. Students are expected to show respect for private and public property. Parents will be held accountable for any damages resulting from the behavior of their children.
7. The bus monitor will not allow the students to get off the bus at any undesignated point.
8. Bus monitors will report minor infractions of the bus rules. Montri's customer service will contact parents for the first offense. Second offenses and serious infractions will be reported to the school, and the school administration will take appropriate action depending on the seriousness of the offense. If the conduct of a student does not improve after a warning, that student can be denied the use of bus services by the school administration. In such cases, no reimbursement of fees will be provided.
9. Please call Montri's customer service line when you need to make any requests such as bringing friends home and making arrangements for after-school activities.
10. Students should not bring any valuable items into the van. Montri will not be responsible for loss of any personal belongings.
11. Sharp instruments, drinks in cans or glass bottles, and satay sticks are not permitted in the van.
